B&C Speakers S.p.A.

B&C Speakers S.p.A is one of the major players internationally in the field of design, production, distribution and marketing of electro-acoustic transducers for professional use (major components of speakers for playing music, commonly known as speakers) intended primarily for producers of finished professional audio systems (OEM). With about 100 employees, of whom about 10% employed in Research and Development, B&C Speakers carries out at its headquarters in Florence all design, production, marketing and control. Most of the products are developed on the specific demands of major clients. B&C Speakers is also present in the USA and in Brazil through two subsidiaries that perform commercial activities.
